This billboard on Cedar Street went up for the month of June to catch parent's eyes:

Dear family & friends,

Thank you for all you have done and continue to do to help me get copies of *The Prince and the Plan* to these children and others like them on our Native American reservations! The children in this picture live in Crow country -- Hardin, Montana -- and they are excited to get their own books! I just took 200 copies to their church this week, for distribution in their church and community.

*Thanks to your generous support, all the black & white books are now paid for!* Only 700 books from this lot are unclaimed at this point, but they will probably all be gone by the end of July. The reservation pastors are very happy about this!

Studies have shown that *71% of people who come to Jesus as their Savior do so before the age of 14.* In 1994, a plan was developed by church leaders to reach the children of the world, and many thousands began praying for what is called "*The 4/14 Window*" - for children between the ages of 4 and 14 to come to know Jesus as their Savior. I am hoping that *The Prince and the Plan* will provide a useful tool for this effort.

Jesus told his disciples to tell the world about Him beginning with Jerusalem then Judea, Samaria and the furthest places on the planet. For those of us who live here, Helena is our Jerusalem. I am trying to reach my city and state by getting this book about Jesus into the hands of as many children as possible.

Some of you are providing for the full-color books to go to reservation pastors! A man here in Helena recently gave enough to not only finish paying for the black & white books, but also to send 4 boxes of 28 books each to Alaskan native villages! I am blessed to be part of his outreach to children.

For those of you who live in other areas than Helena: **Where is YOUR Jerusalem?** How can I help you reach the children where you live? I welcome your stories and ideas! Let me know how *The Prince and the Plan* works with your children/ministry! I'd love to hear from you.

Pastor Red Star of Hardin reminded me that a little pebble dropped into still water will send out increasing rings of waves. Be wave-makers in your Jerusalem, too! Each one of us can make a difference for Jesus in a child's life.

Blessings to you all,

**Sheri Schofield**

*P.S. The Prince and the Plan is now available on Kindle for only \$5.99, which means you can share it easily with about 15 others - anywhere in the world! Do you have any missionary friends who might benefit from a Kindle copy for their ministry? Available now at: [www.SheriSchofield.com](http://www.SheriSchofield.com)*

*Hey, Marlene, Thanks for all your prayers & support!
