Greatest Editorial Needs: **Brimstone Fiction seeks engaging, well-written stories in the genres of Speculative Fiction**

(YA Science Fiction and YA Fantasy) and chiller thrillers with supernatural/paranormal elements. I will be open to considering all genres of fiction, but I will be more interested in your work if you already know your audience.

Although Brimstone Fiction maintains a Christian worldview, our audience will extend to the general market.

I look forward to meeting you, no matter where you are on your career path as you continue your journey toward publication.

Helpful tip(s): **During appointments, I would like to see a one-sheet and the first chapter of your novel. I look for authors**

with enthusiasm and a willingness to develop their writing skills, whether they are just at the beginning of their career or multi-published world-wide.
