Greatest Editorial Needs:

I love stories that reveal a gamut of emotions. Make me laugh, cry, allow me to get frustrated with the characters.

Stories need to be between 80,000 and 90,000 words, have clear and compelling character goals (concrete and abstract) and high stakes. Though they can present male and female MCs, the woman's journey needs to be the primary focus.

Helpful tip(s): **I want to know the main character's goal and motivation within the first page, and this must be compelling.**
