

ARMING OUR CHILDREN TO STAND IN THE BATTLE OF FAITH

What can you do?

Anchor *yourself* in the Word of God.
Teach it faithfully to your children.

Foster open communication to build *relationships* with your children.

Attend school board meetings or watch on public channels. Keep up. Speak truth with love.

Check on the school curriculum. See what the children are reading.

Defend religious freedom wherever there is opportunity.

Join with other Christian ministries in the cultural/spiritual battle as they work to pierce the darkness.

Promote the biblical definition of marriage and family with other like-minded people.

Form and develop strategies ahead of time to prepare children to respond to anti-biblical views.

Teach children to speak with respect and kindness with those who have a different worldview.

Prayerfully consider acquainting your children with current terminologies before someone else does.

PRAY WITHOUT CEASING!
