

Basic Devotional Blog Outline

It's a good idea to keep posts to 500 – 800 words. What genre you pick determines what you focus on.

- Devotions focus on a story with a spiritual point.
- Christian living focuses on application of Scripture and Biblical wisdom for everyday life.
- Bible studies focus on explaining Scripture and give application.

1. Start with a story.

2. Transition to your spiritual point.

3. Share application for life today.
