

### Structuring an Article

1. Think of a topic.

---

2. Decide the focus: What do you want to **say**? (1-2 sentences)

---

---

3. List your development (“stuff”): Research, reading, stats, quotes, interviews, Bible reading, etc. How does this **support** the focus?

---

---

---

---

What is your “stuff” telling you?

4. Think of a conclusion. How will you **summarize** the focus?
