

Three Puzzles of Periodicals
Sherri Langton

Ideas:

1. Marketable

- Universal (*broad audience*)

- Unique (*something different*)

2. “Package” (*consult the Christian Writers Market Guide*)

Examples: teaching article (with Scripture, expository), personal experience, how-to, essay (observations), opinion piece, devotional, poem, profile, Bible study, filler, etc.

What packages fit your idea? What about “slanting”?

3. Takeaway value

What is your “half”?
