

Name: MJ Blanchard

One sentence that describes me and my writing:

-I am an introverted writer documenting experiences in text, photos, and several post-it notes on my brain.

Brief bio:

-Born and raised in Southern California where you feel the earth move under your feet, and thunder rarely rolls, I migrated east (via Kentucky), and am now absorbing vibrant seasons of color, electrical skies, and two lane country roads of Pennsylvania life.

Being a proud, single mom to a doctor is the greatest joy... not to say that it has been 100% smooth but God was and is here. God's Grace is certainly the fuel for some of my writing. Proof that He is ultimately in charge, who knew that a degree in Psychology would lead me to the accounting field. Since 2007, I have been Chief Solutions Officer for a bookkeeping business serving clients in several states.

Why I write:

-To reconcile life and emotions, and one day share with the heart that needs to hear.

I'm currently working on:

My greatest joy and/or struggle in writing is:

-The joy is finding conferences like this; the struggle is carving out consistent writing time.

I'd like to meet writers who:

-Are fellow introverts, or at a similar point in their writing journey, or who would be interested in "bartering talent", mentoring in exchange for bookkeeping/accounting.
