Name: Alexis A. Goring

One sentence that describes me and my writing:

I write fiction stories from my heart, for your heart and I write devotions that feed your soul with hope.

Brief bio:

Alexis A. Goring is a passionate writer with a degree in Print Journalism and an MFA in Creative Writing. She loves the art of storytelling and hopes that her stories will connect readers with the enduring, forever love of Jesus Christ.

Why I write: Just like I need to breathe, I need to write. I feel like it's just as important as breathing.

I write:

Fiction: Contemporary Romance (fiction) stories and devotional books

Genres:

- ✓ **Nonfiction:** Articles for magazines, newspapers, blog posts, devotions, and books for the Christian fiction and nonfiction book market.

Genres: Christian fiction (Contemporary Romance) and nonfiction (devotionals)

My audience: Christians, general public, women, and men (they read my devotions)

I'm currently working on: Writing devotions for iBelieve Truth and Crosswalk. Dreaming up my next four fiction stories that will be part of a new series.

My greatest joy and/or struggle in writing is:

My greatest joy in writing is when readers tell me how God used my writing to change their life.

My greatest struggle in writing fiction is to make sure I'm using the "showing" technique instead of "telling".

I'd like to meet writers who: Love God and are following Jesus Christ with the words He inspires them to write.

I would like to find a writers' group.
