Greatest Editorial Needs: **Women's issues nonfiction, self-help, Christian living, and family/parenting/relationships; historical fiction, historical romance, romantic suspense, and older teen/YA fiction. However, if you have something for another category that is the next best thing since sliced bread, see me.**

Overworked topics: **Most memoir won't work for us; it would need to be extraordinary in some way. I don't want to see anything political. No juvenile fiction, please. I will only consider a picture book if the book's author also is a skilled illustrator or a professional illustrator is part of the author-illustrator package.**

Helpful tip(s): **Study our website if you're interested in publishing with us (www.kregelpublications.com). Much can be learned that way.**

URL, Guidelines for Writers: **We don't accept unsolicited manuscripts, so our guidelines aren't online.**
