Writing Assignment

Thank you for registering for ***Writer, Thou Art Loosed! WriteCamp Intensive Continuing Sessions!!!***
We believe you will receive everything you hoped for... **PLUS!!!**

Please complete the following before you begin our first session.

List 5 topics you want to write about.

1. Write three (3) paragraphs on each topic you chose. They can be short 2 – 3 sentences each.
2. From this writing, please choose your top two (2) topics. What really struck you the most as you wrote the paragraphs? What makes you want to go further with the topics you chose?
3. Write six (6) paragraphs on each of the two (2) topics. Just a little more challenging. You are fleshing out your topic to see what really stands out for you!
4. Choose your favorite topic and writing. This will be the subject of your book you will work on during the ***WriteCamp Intensive*** Continuing Sessions. Now, your first inclination is to keep writing. At the most, we want you to create your seven (or more) chapter headings. Really flesh out the topic to see in which direction you will be led. You will be pleasantly surprised!
5. **Be prepared for the journey!**

I look forward to spending time with you and getting to know your *Writer* Side. I look forward to guiding you to become the ***Writer*** God has called you to be.

Be abundantly blessed as we bring out the ***Writer In You! Write ON!!!***

God is faithful!
