

The authenticity of God's Nurturing of a Prophetic Call can only be conveyed with brutal honesty. Witness of God's Voice invites you on a lifelong journey in the heart of God as He intensely, severely, yet intimately nurtures a life unworthy and inadequate for an end times prophetic ministry.

From growing up in the South Bronx of New York City, through years as a labor union rep working in an industrial chemical plant — and beyond — Angelika's life story is a witness of God's willingness to nurture anyone for His purpose; and only for His praise, honor and glory.
