

Name: Susan A. Massey

One sentence that describes me and my writing:

Speaker, author, blogger, artisan, and revivalist sharing a love for Jesus and people.

Brief bio:

Susan is a saved by grace servant of Jesus with a heart of love for his church. With master's degrees in library science and divinity, she has been a leader in professional organizations and churches. Now retired, she devotes her writing and speaking skills to delivering a biblical perspective on American church revival. She enjoys long walks on the beach with Jesus and creative endeavors like arts and crafts that display his glory.

Why I write:

God has called me to deliver truth with clarity to empower believers with a passion to serve Jesus.

I write:

Fiction: ___short stories ___books

Genres:

Nonfiction: ___articles ___personal experience stories ___devotions books

Genres: apologetics, Christian living, culture and Christianity

Other: ___poetry ___scripts

My audience Christians ___general public ___women ___men ___teens ___children

I'm currently working on: *The Spewing: Redefining Revival for End Time American Christians*

My greatest joy and/or struggle in writing is:

My greatest struggle is hearing God clearly to make sure what I write is doctrinally sound. Interpreting and repackaging his Word for a church living in deception and compromise is a serious prophetic responsibility. My greatest joy is seeing people connect with Jesus in practical and life-transforming ways.

I'd like to meet writers who: are interested in church renewal and spiritual warfare, and anyone who could help me connect to Christian leaders with followings who might endorse my book or assist with marketing.
