Name: Kimberly Willard

One sentence that describes me and my writing: After having experienced infertility for seven years, my husband and I were miraculously blessed with four children. I provide prayer (InfertilityPrayerResource.com) to overcome infertility struggles.

Brief bio: I'm passionate about praying for infertile couples and others with obstacles, love studying the Word of God, and teaching kids about the gospel in Bible school. Along with responding to ministries for the homeless and hungry, hiking in the Rocky Mountains and seeing God's glory in the National Parks and around the world is fulfilling to me. When I have a moment, I thrive on working out, finding deals at thrift stores, cooking, reading, and devouring dark chocolate. Married since 1981, my husband and I make our home in Colorado with our two adorable spaniels. My life is a blessing from God.

Why I write: I write to encourage and equip infertile women with Scripture and prayer practices that will fortify them.

My audience Christians general public women men teens children

I'm currently working on: I reintroduced my blog and Instagram in May 2024 (previously had my blog up until 2013). An excerpt from my book manuscript was published in "Chicken Soup for the Soul: A Book of Miracles" in 2010. I redrafted the book to meet the reading styles of Millennial and Gen Z readers and will pursue publishing it when I have a group of followers on my blog/Instagram.

My greatest joy and/or struggle in writing is: Offering God's wisdom and hope from the Scriptures to uplift the infertile women reading my blog posts.
