How to Get Started?

What do you have to say?

Your story?

The power of a testimony

Linda's story?

Ways others can relate?

Ways I can help:

Finding your message – What is your story

What are you an expert witness to?

What is the problem, you are the answer to?

- Were you wounded by the problem, how?
- How were you healed from the problem?
- What are you ‘selling’? (product or hope?)
- What are the benefits of buying your ‘product’?
- What is the myth your solution explodes?

Do you have a message?

- Oprah Exercise

- Write your answer

Do I have a calling: SEASON OF PRAYER
