1. Please review the latest faculty info at <https://colorado.writehisanswer.com/facultynotesrevisedmay4>.
2. Please try and attend the faculty orientation that I'm offering TWO times on Monday, May 9. It will be recorded, but that won't give you the opportunity to ask questions, to connect with other faculty, and to pray together.

3. In order to access the conference dashboard (the only way to get into the conference) you MUST check-in next Wednesday, May 11 (8:00 am – 12:30 pm Mountain Time). If you can't make that time work, please email me and I'll figure out an alternative. We've worked out the issues we had last year so it should only take a couple of minutes.
4. Enter [wha2022.obv.io](http://wha2022.obv.io) in your browser. (Important: Do NOT preface this with "https://" or "www.") Use your email address as your temporary password.
5. You will be prompted to create a new password and sign the waiver below. To expand the ministry of the conference and help us meet budget I've added point D. Sadly, only about 20% of the east coast writers that typically register have done so despite all my memes and emails. A friend who comes every year to Greater Philly said, "I don't even start looking at the [www.writehisanswer.com](http://www.writehisanswer.com) site until about June or July! People are creatures of habit. So many are going to be very disappointed when they realize that they missed this year's conference."

**WAIVER** you'll be asked to sign when you check-in:

The entire May 11-14, 2022, Write His Answer Conference will be live and videotaped except for mealtime round tables, critique groups, Q & A's, small groups, and appointments that will be live but not videotaped. I grant Write His Answer Ministries permission to:

A. Use brief excerpts from any of the above that is videotaped and my image in promotional materials both online and in print.

B. Videotape my keynote, continuing session, workshop, learning lab, and any panel I serve on. The link to access videos on a private YouTube channel will be available to conferees, other faculty, and staff through Labor Day, September 5, 2022. (It takes several weeks to get everything online after the conference.) I understand I own the rights to my keynote, continuing session, workshop, or learning lab and may download and use it however I want.

C. Post any handouts I provide at [colorado.writehisanswer.com/handouts2022](http://colorado.writehisanswer.com/handouts2022). This URL is only available to conferees, other faculty, staff, and those (see "D") who purchase the package of the handouts and videos after the conference. The URL will be accessible through Labor Day, September 5, 2022. I understand I own the rights.

D. I also grant permission for access to the videos on a private YouTube channel and the URL for the handouts to be available for purchase after the conference for \$99. They will be sold as a package, not individually. They will only be accessible through September 5, 2022.

6. Tech Check is next. One of our staff will be waiting for you in this room to make certain you and your computer are ready to participate in the conference. You can expedite this by making sure you are using the latest version of Zoom. (The conference uses a powerful platform called Obvio that utilizes Zoom.)
7. Once the Tech Check is completed and you have no more questions, click "Leave the Meeting" on the bottom of the page. You can visit the dashboard now to familiarize yourself with it. I've worked hard to make it user friendly.
8. You're now ready to enter the conference. Barb is sending your schedule, so you'll know when you need to be online. Of course, you are welcome and encouraged to attend anything that interests you.
9. To enter the conference type **wha2022.obv.io** in your browser (again do not preface with https:// or www). Enter your new password.
10. You will be taken to the Dashboard – our conference hub. From here simply follow the conference agenda and **click on the room where you need to be 15 minutes before you are scheduled to present.** Another group will be leaving. One of our team will see you on screen and will use the chat to get you ready to present. If you plan to use PowerPoint and Screen Share, you will be made a co-host.
11. A Faculty Chat Room will be available throughout the conference
12. Our prayer team is covering you and the conference. We are expecting God will do Ephesians 3:20 things.
