Genres/Topics I'm most interested in representing: **Christian Life, Spiritual Growth, Women's Issues, Parenting, Marriage, and up-and-coming voices that fit these categories: ministry leaders, business leaders, pastors, journalists, counselors, or others who have an established organization or are part of one.**

Genres/Topics I do NOT represent: **We are not acquiring fiction, poetry or short stories. We are reviewing a limited number of Bible studies and devotionals that have a unique twist, a brand new way of representing the material, and a topic that meets a daily, felt need that inspires the reader (it is not just a teaching tool).**

Helpful tip(s): **Come prepared to talk about what you are saying in your book that no one else is saying. We will also talk about what your platform looks like. Even if your audience is small, I'd like to hear about what you have done and are doing to build it.**
