Greatest Editorial Needs:

**Nonfiction articles targeted to Spirit-filled Christian women, ages 30 on up. Prefer 500-800 words although we can accept outside of those ranges. "Like" the SpiritLed Woman Facebook page and follow links to see the kinds of articles we post.**

Overworked topics: **personal testimony (use as an illustration, but don't make the entire article a testimony)**

Helpful tip(s):

**Our target audience has a passion for God and wants to recognize His work and apply His Word in every area of life. So although we publish articles on many topics, each must have a spiritual focus. Specific charismatic content is a bonus but not a necessity. Consider the felt needs of Christian women in age groups within our range and you'll have a great start for an article. Nonpaying market but a great platform-builder; we can generate a large number of views/likes due to our online "home" at the popular charismamag.com and our social media presence; many articles also end up on charismanews.com. Occasional articles may be picked up for the print version of our magazine, a paying market.**

URL, Guidelines for Writers: **No guidelines on website; see content posted at Facebook page for SpiritLed Woman.**
